All Hugs & Kisses staff

As you are aware, Hugs & Kisses Educare Centre has a Facebook page, where we show a day in the life of a pre-schooler at Hugs and Kisses. Our Facebook page has been very successful and we have big plans for its future.

We always try our utmost not to show full on children's faces, but sometimes children are still recognisable. Likewise photographs may include images of our staff. No personal information or names will be included in the Facebook posts. We are however legally obliged to ask permission from you to allow us to publish photos that include images of yourself together with children in their day to day activity on our Facebook page.

Should you not wish to have the photos of yourself posted on the Facebook page, your decision will be noted and respected.
